Automatic Entries will be recorded by participating credit unions once the balance is calculated at month-end processing. Qualifying deposits/balances must be received and posted by the participating Credit Union by midnight Eastern Time on the last day of each month end. Automatic entries are only eligible to win during the drawing period covered.

2. **Qualifying Certificate Account:** Establishment of a Lucky Savers Certificate account is limited to participating Visions branches in the states of New York, Pennsylvania, and New Jersey. Participating credit unions will establish Qualifying Certificate Accounts. A Qualifying Certificate Account may be either a share certificate or a certificate of deposit depending on the account structure of the credit union. Rates and other terms and conditions of a Qualifying Certificate Account may vary from credit union to credit union. A participating member is limited to one (1) Qualifying Certificate Account at one (1) participating credit union, with a minimum opening deposit of \$25. Participating members may deposit unlimited funds in a Qualifying Certificate Account, with an unlimited number of deposits, provided that prize entries and eligibility are limited as set forth in these rules. Participation in the Qualifying Certificate Account presents no financial risk to an eligible individual. A participating member may make a maximum of one (1) withdrawal of principal from their Qualifying Certificate Account during any twelve (12) month period, with an early withdrawal penalty fee of \$25. More than one (1) withdrawal of principal within any twelve (12) month period will result in the disqualification of the participating member's Qualifying Certificate Account from consideration for subsequent prizes and the participating member's forfeiture of any and all entries for monthly and quarterly prizes and will result in the closure of the Qualifying Certificate Account. Once a Qualifying Certificate Account of an accountholder has been closed, there will be a 6 month waiting period before that accountholder can open a new Qualifying Certificate Account.

3. **Prize Eligibility:** Participation in a qualified financial program is offered to any qualified individual participating in the Qualifying Certificate Accounts. Corporations, limited liability companies, partnerships, associations, sole proprietorships, trusts, business, and labor organizations, other public or private entities, as well as officers, directors, and employees of (i) participating credit unions and (ii) vendors of such credit unions are not eligible to receive Monthly or Quarterly prizes from the State drawing or the Visions Federal Credit Union Member Monthly and Quarterly Prize Drawings. Also not eligible are immediate family members (spouse, child) of the individuals described in the preceding sentence, nor any person residing in the same household as any such individual. **All participants must be at least of sufficient age to enter into a binding contract (18 in most states) and be a member with a regular share account (the account which qualifies the individual for membership), in good standing in the participating credit union.** To win a prize in a drawing, a participant's Qualifying Certificate Account must have originated in NJ, NY, or PA and be open and active through the time of the drawing period. A participating member is limited to winning one State Monthly Prize per month and one State Quarterly Prize per quarter. A participating member is eligible to win both a State Prize and a Visions Federal Credit Union Prize in the same drawing month or quarter. A participating director, employee, or officer of Visions Federal Credit Union is eligible to win one monthly Visions Federal Credit Union Employee monthly prize per month and one Visions Federal Credit Union Employee quarterly prize per quarter. Immediate family members (spouse, child) of director, employee, or officer of Visions Federal Credit Union, including household members, are not eligible for Visions Federal Credit Union Employee Drawing. If the Qualifying Certificate Account is owned by more than one member, only the member under whose taxpayer identification number earnings on the account would be reported to the Internal Revenue Service should such reporting be required for the account is entitled to win a Prize. Before receiving any prize, a participant must confirm eligibility by verifying identity and age. If a member with a Qualifying Certificate Account is ineligible for the Raffle, such member will continue to be the account holder but deposits to the account will not constitute qualifying Raffle entries. No other action, purchase or other consideration is necessary for an entry in the Qualifying Certificate Account. Visions Federal Credit Union employees who leave employment during the entry period, whether voluntarily or involuntarily, are ineligible for the drawing.

4. **Prizes:** All Prizes from the State Drawings and Prizes from the Credit Union Drawings are cash prizes and will be deposited into the winner's regular share account. **Prizes may NOT be deposited in the member's Qualifying Certificate Account.** All winners
