Contributions to the Credit Union Political Action Committee (CUPAC) are voluntary and not tax deductible. You have the right to refuse to contribute without reprisal. CUPAC accepts contributions from individuals, state-chartered credit unions, businesses, and CUSOs incorporated as C or S corporations. Federally chartered credit unions, according to federal election law, may not contribute credit union funds to any PAC.

Sponsorship Opportunities

As a member of the credit union community, you know how important credit union political action is. We rely on our lawmakers to protect credit unions' tax-exempt status and advance legislation that will benefit our members. It's essential that we support pro-credit union political candidates, and CUPAC, our statewide political action committee, allows us to do this.
